## EDUCATION

***Bachelor of Science in Cybersecurity*** **May 2025**
University of Central Missouri
*Activities: Upsilon Pi Epsilon, Tau Kappa Epsilon*

***Cybersecurity Trimester Abroad*** **Jul. 2024 – Oct. 2024**
*Griffith University, Queensland, Australia* *Focus: Digital Forensics*

## WORK EXPERIENCE

***IT Support Specialist*** *- Former Cybersecurity Analyst Intern* | Lead Bank **Jun. 2022 – Present**
- Mitigated a 0-day SSL/TLS vulnerability affecting **200+** devices by deploying targeted PowerShell scripts and coordinating network-wide updates via Intune
- Designed and implemented a Jira-based IT ticketing system handling **1,500+ tickets annually**, streamlining internal workflows and saving **$3K/month** through optimized planning and use of native Atlassian features
- Authored **50+** technical SOPs and end-user guides, cutting training time for new IT hires by over **50%** and reducing support documentation requests
- Scaled infrastructure from **200 to 390+** users by managing accounts, security policies, and endpoint deployments across hybrid environments, ensuring secure, seamless access for a growing workforce.

***Delivery Crew Lead*** | Lee's Summit Slide Rentals **May 2015 – Aug. 2023**
- Led a crew of 5 in coordinating weekly inflatable deliveries for **15+ events**, ensuring smooth setup logistics through strong teamwork, verbal communication, and customer-focused problem-solving

## LEADERSHIP EXPERIENCE

***Housing Development Committee Chair*** | Tau Kappa Epsilon Fraternity **Nov. 2023 – May 2024**
- Collected **30+** member suggestions using a QR code, researching cost, and driving awareness of maintenance and development issues despite a limited operational budget to committee members

***Co-Founder & President*** | *Chess Club UCM* **Oct. 2023 – Jan. 2024**
- Led team of 5 executives to host weekly chess matches with **35+** members and securing funding
- Coordinated chess tournaments and teaching new members basic strategy

***Philanthropy Volunteer*** | Tau Kappa Epsilon **Aug. 2022 – Nov. 2023**
- Supported tabling and event planning to help raise **$18,000+** for St. Jude Children's Research Hospital

## COMPETITIONS

**Cyber Skyline National Cyber Security Competition** | Top 8 Worldwide, 1st in Cryptography **Feb. 2023**
- Competed solo in a team-based CTF event across 6+ domains, including Linux, OSINT & Encryption

**MOREnet Missouri Cybersecurity Challenge** | Finalist **2023**
- Recognized in a statewide cybersecurity challenge for technical performance

**CyberPatriot Team Leader** | Semi-Finalist **2017- 2023**
- Led Windows & Linux system hardening tasks in a national youth cyber defense competition

## TECHNICAL SKILLS

**Certifications:** TestOut IT Fundamentals Pro, Network Pro, Routing & Switching Pro, Security Pro, Jira Fundamentals Badge, Get the Most Out of Confluence, ISO 27001:2022 Foundations Course
**Operating Systems:** Windows, Windows Server, Ubuntu, Debian, Linux, Cisco IOS
**Languages & Scripting:** Python, Java, HTML/CSS, PowerShell, Bash, JQL
**Tools & Platforms:** Microsoft 365, G Suite, Active Directory, Intune, AWS, Azure, Jira, Confluence, Wireshark
**Cybersecurity:** Threat detection & mitigation, vulnerability management, secure configuration, endpoint protection
